22 Days of Prayer for your PTSD partner:

Howdy PTSD Partner!

You changed my world when you entered it and my life would never be the same. I am so excited for your healing! Today, I pray that you have come to know that God believes in you! I pray that you can find compassion and offer encouragement to others as they embark on their healing journey. I pray that you can bring those impacted by PTSD to the true healer where they can find peace, trust, strength, and discipline to make the changes they need in their lives. I pray that you will stay encouraged in your own walk leading a life that is disciplined, trusting in God to continue to strengthen you as you live in peace. Have a beautiful day! In Jesus Name We Pray, Amen!
