

Learning to Be Joyful

Last week we walked forward through the doors of forgiveness. This week we continue to walk toward a world filled with hope and peace as we learn to celebrate our gifts, love, and respect one another and work to become more joyful.

“He continued: Go, eat rich foods and drink sweet drinks, and allot portions to those who had nothing prepared; for today is holy to our Lord. Do not be saddened this day for rejoicing in the Lord is your strength.” Nehemiah 8:10

What does joy feel like to you?

What does joy sound like to you?

What does joy look like to you?

What does joy smell like to you?

What does joy taste like to you?
