

This week we learned that there are doors opening all around us and we get to choose which ones we want to walk through and stay in a while. We get to choose the ones we want to walk through and step back out of. We get to choose which ones we want to close, and we have come to understand that sometimes God closes a door for us in order lift us up. We finish this week ready to receive all the love God has for us.

## **Activity for the Soul**

Receive. This week we learned that if we ask of the Lord we will receive. It may not look like we want, but He will provide an answer to our prayers in some form or fashion. We also learned that God provides us with goodness and grace we only need to open our hearts to receive it.

Let's pray this week for God to answer (specific prayer request). "We thank you Lord for all the

work you are doing in our lives and all of the doors that you are opening for us. We ask God that you help us to love and serve one another with an open heart and pure mind, so that we are able to receive your amazing blessings. Thank you so much for our time together this week. I look forward to our conversations and am excited to walk through all of the doors that you are opening for me."
