#### 22 Days of Prayer for your PTSD partner:

Lord, as we listen to Ferlin Husky sing "on the wings of a snow-white dove He sends his pure sweet love" we are reminded that You can move mountains. Lord, we trust that You are shifting hearts, opening doors and opportunities, and pouring Your healing grace and mercy over our lives at a rate that we cannot even fathom. In walking with our PTSD partner we believe that You are bringing us to a more disciplined and peaceful life grounded in You and we thank You! In Jesus Name We Pray, Amen.
